

Education

Ph.D Dietetics and Nutrition,

Florida International University, USA 2012

Concentrations: Clinical Nutrition, Type 2 Diabetes, vitamin D receptor polymorphisms.
Dissertation: “Vitamin D levels, vitamin D receptor polymorphisms and HOMA2 model in Cuban Americans, Haitian Americans, and African Americans with and without type 2 Diabetes”. The dissertation assessed vitamin D levels, HOMA2 and looked at TaqI and ApaI VDR polyporphisms in association with three different ethnicities with and without type 2 diabetes.

MSc Public Health,

The University of Westminster, UK 2003

Concentrations: Nutrition and Health Care

Thesis: “Recommendations for tackling childhood obesity in Kuwait: a review of public health interventions”. A literature review was conducted on different countries with successful public health interventions, these interventions were then assessed for practicality in Kuwait. Recommendations based on literature review and being a native Kuwaiti were provided.

BSc Biochemistry,

Kuwait University, Kuwait 2002

Minor in Zoology

Research Experience

2010-2012 Post graduate in use of ELISA, PCR, RT PCR, gel electrophoresis.

Work experience:

2012-Present Associate professor, Kuwait University, Kuwait

2006-2008 Foundations of Nutrition Science Laboratory, Florida International University

2005-2006 Nutrition and Fitness, American University of Kuwait

2001-2002 Lab Technician Faculty of Medicine, Biochemistry Dept. Kuwait University

Courses Taught

Undergraduate courses

(at Kuwait University, College of Life Sciences, Kuwait).

1. FSN 424 Maternal and Child Nutrition
2. FSN 105 Personal Nutrition and Women's Health Issues
3. FSC 152 Internship (Nutrition),
4. FSN 440 Nutrition and Dietetics Lab
5. FSN 123 Women in the Workplace
6. FSN 426 Nutrition Therapeutics
7. FSN 110 Introduction to Nutrition and Food Science
8. FSN 423 Nutrition Education
9. CLS 130 Ethics and Principles.

Postgraduate courses taught continuously since 2013/and when available

1. Applied Clinical Nutrition, College of Life Sciences, Kuwait University.
2013-present
2. Public Health Nutrition, College of Life Sciences, Kuwait University.
2013-present

Posters and Presentations

1. Anemia among School Children in Kuwait. **Lemia H. Shaban**, Abdullah Al-Taiar, AbduRahman Ahmed, Reem Al-Sabah, Anwar Al-Harbi at the Faculty of Medicine, Kuwait University. March 12-14, 2019.
2. The frequency of fast food intake among students at Kuwait University. **Lemia H. Shaban**, Hameda Alfeeli, Zainab Ashkanani, Dalal Alkazemi. Department of Food science and Nutrition, College of Life Sciences, Kuwait University- Won first prize at College level. March 14, 2018
3. Environmental influences on cardiovascular risk factors among Turkish immigrants in the Netherlands with type 2 diabetes. Shiryn D. Sukhram, **Lemia H. Shaban**, Fatma G. Huffman. Department of Biology, College of Staten Island, Staten Island, NY, College for Women, Kuwait University, Kuwait City, Kuwait, Dietetics & Nutrition, Florida International University, Miami, FL.
4. Microalbuminuria and hypertension among Turkish immigrants in the Netherlands with type 2 diabetes. Shiryn Sukram, Gustavo G Zarini, **Lemia Shaban**, Fatma G Huffman. Environmental & Occupational Health, Dietetics and Nutrition, Florida International University, Miami, FL, Food Science and Nutrition, College for Women, Kuwait University, Kuwait, Kuwait.
5. Use of HOMA indexes for the identification of metabolic syndrome and insulin resistance among Cuban-Americans. Joel C Exebio, Sahar Ajabshir, Gustavo G Zarini, **Lemia Shaban**, Fatma G Huffman. Dietetics and Nutrition, Florida International University, Miami, FL, Food Science and Nutrition, College for Women, Kuwait University, Kuwait, Kuwait
6. Relationship between 25-hydroxyvitamin D and adiponectin levels in Blacks. Gustavo G Zarini, **Lemia Shaban**, Joel C Exebio, Michael McLean, Fatma G Huffman. Dietetics and Nutrition, Florida International University, Miami, FL, Food Science and Nutrition, College for Women, Kuwait University, Kuwait, Kuwait
7. Prevalence of Gly482Ser polymorphism of PPARGC1A in Cuban Americans. Amanpreet K Cheema, Gustavo G Zarini, Joan A Vaccaro, **Lemia Shaban**, Mehmet T

Dorak, Fatma G Huffman. Dietetics and Nutrition, Environmental & Occupational Health, Florida International University, Miami, FL, Food Science and Nutrition, College for Women, Kuwait University, Kuwait, Kuwait

8. Environmental influences on cardiovascular risk factors among Turkish immigrants in the Netherlands with type 2 diabetes. Shiryn D. Sukhram, **Lemia H. Shaban**, Fatma G. Huffman. Department of Biology, College of Staten Island, Staten Island, NY. Food Science and Nutrition, College of Life Sciences, Kuwait University, Kuwait City, Kuwait
³Dietetics and Nutrition, Florida International University, Miami, FL

Scholarships and Awards/certifications

- 2020 Institute of Functional medicine certified practitioner (IFMCP)
- 2018 **Shaban, L.H.**, Alkazemi, D. "The Frequency of Fast Food Intake Among Students at Kuwait University". March 2018, KU Poster Day for Scientific Faculties. The poster won *first place* for the faculty members' category on the College of Life Sciences level.
- 2017 **Bareec** (positivity in the classroom) certification of completion to commence Instruction
- 2012 **Registered Dietitian, RD/RDN** (USA), awarded by the Academy of Nutrition and Dietetics.
- 2012 Associate member of the Sigma Xi Scientific Research Society (USA), awarded by the Florida International University Chapter of the Society.
- 2010 Lactation Educator Counselor (USA), awarded by University of California, San Diego.
- 2003 Scholarship from Kuwait University for PhD

Membership of international Societies

- 2018 to date Institute of functional Medicine
- 2006 to date Academy of Nutrition and Dietetics
- 2012-2016 Honorary membership in Sigma Xi Scientific research Society

Lemia Shaban (Ph.D., RD/RDN/IFMCP)
